

**NEIGHBORHOOD
REHAB PROJECT**

P.O. Box 895 Golden, Co. 80402

In 2011 the Neighborhood Rehab Project began with a Day of Service in Golden. Since then, the annual service day has grown to include dozens of homes in Golden and hundreds of volunteers. This year we are expanding to two additional cities, Englewood and Arvada.

The city of Englewood, in partnership with the Neighborhood Rehab Project will do 10 home rehab projects for elderly and disabled homeowners in the Jacksons Broadway Heights Neighborhood. We would like to extend an invitation to you and your Englewood business to partner financially with us in all the ways we are seeing this community developed, changed and supported.

We would like to invite you to get involved with a financial contribution. The benefits of your partnership is seeing your value in community through your business being recognized through the Neighborhood Rehab Project that you helped sponsor through the following ways:
