Dear Council Members:

Please accept this letter as my formal announcement concluding my official participation in Keep Englewood Beautiful. You appointed me to my first commission several years ago and this now ends my final commission. I decided not to request another appointment as I have moved to Littleton last month and consider the KEB appointment especially suited for Englewood Citizens.

I have enjoyed my appointment here and appreciate all I have learned and participating in the KEB activities. More importantly, I have met the most genuine individuals who want to make Englewood a cleaner and happier city today than it was yesterday and will always cherish those relationships.

Thank you very much for the opportunity to serve here.

Sincerely,

Gary Nordlander
