

Continuation of the City Council Study Session
City Council Chambers
August 20, 2012

VI. City Council Discussion.

▶ City Council continued the discussion concerning the Muscular Dystrophy collection on Labor Day. Issues discussed included safety issues, in-street/median collections, City liability, collections while on-duty and response time. Staff did not recommend collections in the street/on meridians nor while on duty. City Council had consensus to allow the Firefighters to collect for MD while on duty and to collect in the streets/on meridians over Labor Day weekend.

The meeting adjourned: 8:45 p.m.
